

VICTOR® DC230B

Height-Adjustable Laptop Stand

The DC230B Adjustable Laptop Stand with Storage Cup creates a functional, standing workspace for your laptop or tablet. With a surface that is 21" wide by 13" deep, a standard laptop can be accommodated with space allotted for a wireless mouse or other desk top accessories. Made of wood, the work surface is durable with scratch resistant PVC coating. The heavy-duty steel piston allows for height adjustments from 12" to 15" above the desk. Weighing 8.75 lbs, this product allows for easy set-up and relocation.

- Enables stand up operation of laptop computers or tablets at a comfortable ergonomic height
- Heavy-duty gas strut provides fast and easy height adjustment with the pull of a lever
- 21" wide by 13" deep surface is made from durable wood with a scratch resistant PVC coating
- Sturdy stabilizing base prevents tipping
- Does not lower to sitting position
