

High Rise Height Adjustable Standing Desk Workstation

DCX610

The DCX610 High Rise Height Adjustable Standing Desk Workstation is a simple solution to a common workplace problem: too much sitting. Studies show that sitting for prolonged periods of time is detrimental to your health. The DCX610 transforms any sit-down desk into a sitting OR standing desk. Large 32.5" wide by 18" deep desk surface is accompanied by a 32.5" wide by 13" deep removable keyboard tray. The desk height raises to 19" and the keyboard tray raises to 15", providing an ergonomic working position for users of varied heights. Gas spring system allows for smooth and stable height adjustment. The DCX610 sits on top of your current desk or table and does not require clamping or attachment of any kind. Sleek wood construction and a durable, scratch-resistant laminate coating will provide years of use with a modern style. Simply go from sitting to standing with an easy squeeze of the lever on the right-hand side.

DCX610 Features:

- Adjusts straight up and down. User is not forced to move away from desk.
- Compact footprint. Easily fits on standard 24" deep cubicle desk (16.5" frame depth).
- Raises high enough for taller users. 19" for desk surface and 15" for keyboard tray.
- Mouse location is ergonomically comfortable. It can be placed parallel to keyboard.
- One-lever design. Go from sitting to standing with an easy squeeze of the one lever.
- Includes two slots on keyboard tray to hold mobile devices or writing utensils.
- Includes grommet hole for monitor mount. DCX610 is compatible with other brands of monitor arms.
- Removable keyboard tray. Easy to attach in simple two-step process.
- Maximum weight capacity: Desk Surface = 29lbs; Keyboard Tray = 5lbs.

**Optional monitor mount with single and dual monitor components available (DC002)*
