

# VICTOR®

# 909-9

Victor Technology is proud to join in the war against breast cancer. With this inspirational new calculator, we are celebrating the **Victor** in every woman. While there is currently no cure for breast cancer, when detected and treated early, there is a 90% survival rate.

Victor is donating a portion of the proceeds from the 909-9 to help fund Breast Cancer Research.

- 🎀 Pink Outside Cover with Pink Ribbon Graphic
- 🎀 Chrome Interior with White Keys
- 🎀 Time/Date Feature
- 🎀 Extra Large 10 Digit LCD Display
- 🎀 Cost -Sell -Margin Keys

A "Victor" is defined as a person who has overcome or defeated an adversary, quite simply a conqueror. We want every woman to find the Victor inside herself! Please help us support this extremely important cause!
