The Victor desktop organization products bring a fresh perspective to desk accessories by offering functional solutions with appealing design elements. The 1175 Monitor Riser provides an open shelf for papers, reports, and books. The large drawer can be placed in either of the two locations providing flexible storage for desk accessories. Rear access space helps manage cables and allows flush positioning against the wall.

Features sturdy 7.9 lb. wood construction with a durable double coated finish. Brushed metal handle, faux leather top and a frosted glass window add a touch of class. Non-slip rubber feet reduce movement and protect your work surface from scratches and scuffs.

Large 13" x 13" x 6.5" design holds your monitor while providing storage for papers, notebooks, and supplies. **Available in Black/Brown/Silver/White/Heritage Wood**
