The Victor desktop organization products bring a fresh perspective to desk accessories by offering functional solutions with appealing design elements. The 5500 Tidy Tower provides a vertical design that makes the most out of limited space by combining large letter tray, open shelf and drawers for supplies. A divider inside one of the small drawers allows for storing smaller items.

Features sturdy 11.6 lb. wood construction with a durable double coated finish. Brushed metal handles, faux leather top and frosted glass windows add a touch of class. Non-slip rubber feet reduce movement and protect your work surface from scratches and scuffs.

Compact 12.8" x 10.6" x 10.9" design with crown molding base makes a great addition to any desk. Perfect for use either at home or in the office. **Available in Black/Brown/Silver/White/Heritage Wood**
