Classroom Cell Phone Storage Tray

Avoid distractions in the classroom with this convenient solution.

This classroom cell phone storage tray is the perfect organizer for easily storing phones during classroom activities. Hold students' mobile phones in class and let students focus more on learning.

Simple design allows for portability and flexibility to transport and store multiple designs of mobile phones.

FEATURES

Simple & Practical Solution:

- Hold students cell phones in class and let students focus more on learning
- Students place phones in tray upon entering classroom and pick up after class.
- No complicated mechanism that takes up extra time out of the day.

36 Storage Slots: For centralized management of student cell phones in large classes.

Easy & Customizable Assembly: Can be set up to accommodate 36 slots or a smaller number of bigger items.

Multiple Uses: Can also hold calculators or classroom tools like notecards.

Easy Storage: Folds up and breaks down for putting away in desk drawer or cabinet.

Size: 12.5" W x 4.9" D x 3.5" H

Weight: 1.8 lbs
