

The Original SEAT SACK® Company

Chair Pocket: Elastic Back

Create a designated area to organize student materials and maximize desk space with Seat Sack® storage pockets. Perfect for classroom storage, teaching vital organization skills and keeping the classroom managed. Seat Sacks® Elastic Back chair pocket is ideal for hard to fit chairs or classrooms with a wide range of chair backs. It has elastic all the way across the back to help hold the sack in place. It can expand from 12" to 17" at its widest point, which is where the pocket begins.

Not just for classrooms! Seat Sack® chair pockets are also great for the home, office, music rooms, and religious organizations.
